Dear Santa,
I hope you have been having a good time at the North Pole, and that the elves are making lots of toys. And most of the bad things I did, I was just trying to impress my friends or be cool. I didn't mean what I said or did, I'm sorry for everything I did. Love

Dear Santa,
This year for Christmas I would like trending skincare for Christmas like, Glow Recipe, Bubble, Summer Fridays, Drunk Elephant, and stuff like that and I know it costs a lot of money so that's why i'm asking you for it because my parents won't get it

for me.

Could I also have a Sephora or Ulta gift card so I can get other things from there then just skin care like the Tower 28 spay. Could you also get my Grandma and Grandpa something for Christmas because they usually don't get anything because they aren't kids anymore but they are the best so can you please get them something.
